PROFILE

Mithun Sacheti is an Indian entrepreneur and investor, best known as the founder of CaratLane, which he grew into the nation's leading omni-channel jewelry brand before selling his remaining stake to Titan Company Limited in a landmark ₹4,621 crore exit in August 2023. This transaction, valuing CaratLane at over ₹17,000 crore, stands as one of India's largest D2C exits. Sacheti now operates as an influential "operator-investor" and venture partner, Singularity Growth: Serves as Co-sponsor and General Partner.

Finqube Capital: Co-founded this investment firm in 2024 to manage his diverse portfolio.

Key Investments & Roles: A promoter at Nazara Technologies, he also holds significant stakes in VIP Industries, lppopay, and serves as an Independent Director for Metro Brands Limited.

He is a certified gemologist (GIA) and an IIM Bangalore alumnus.
