PROFILE

I am an accomplished Senior Priority Relationship Manager at Standard Chartered Bank, where I have been driving success in wealth management since August 2021. My extensive experience in the banking industry has equipped me with a strong background in sales, portfolio management, and business development. I excel in fostering client relationships and delivering tailored wealth management solutions that meet the unique needs of my clients.

Prior to my current role, I served as a Wealth Select Relationship Manager at ICICI Bank for nearly five years, where I honed my skills in managing high-net-worth portfolios. My career began at HDFC Bank as a Preferred Banker, where I developed a solid foundation in banking and client service. I am passionate about helping clients achieve their financial goals and am committed to driving team success.
